

PRODUCT / RANGE:	4Cabling Suspended Switch Sockets	
Models	040.000.0354 – 15A 040.000.0355 – 10A	
Type	Suspended Switch Socket	
Operating Voltage	250V	
Rating Current	10A/15A	
Pins	3 Flat	
Cable Size	Up to 2.5mm ² heavy duty three core flexible cable	
Switch Function	Double Pole, 1-way	
Terminal Bore	5mm round hole	
Compliances	AS/NZS 3112:2017	

The 4Cabling Industrial Suspended Switched Socket is suitable for both Industrial and Commercial installations

ASSEMBLY STEPS

1. Disconnect the socket and connect the line according to the mark.
2. Remove the upper cover and plug the cap, install the screw and cap.

3. After connecting the external AC power, press the switch to the red indicator, the front socket plugs into the ac power supply.
4. Strip wires and tighten the waterproof joint.

Disclaimers:

- This product must be installed by a licensed electrician.
- Avoid direct product contact with corrosive liquids and gases, such as alkaline, acid, and paint, as these will cause damage to the product.
- This product cannot be repaired; do not attempt to repair this product. If the product is faulty, it should be disposed of safely.
- This product should not be disposed of with household waste. Please recycle where facilities exist. Check with your local authority or retailer for recycling advice.
- The material of this product may vary in colour from batch to batch. Colour matching from one batch to another cannot be guaranteed.
- Electrical installations periodically receive transient over voltages; this product has been designed to minimise the effect of such voltages on the connected equipment. However, please note that this product may not give full protection for extreme overvoltage transients, such as those resulting from a close lightning strike.
- Cable wiring of different voltage systems, such as Low Voltage and SELV cables, cannot share the same conduit.
- This product must be installed and used as per these instructions.
- This product utilises intellectual property in the form of registered designs, trademarks, and/or patents. Such intellectual property remains the property of 4Cabling in all cases.
- 4Cabling reserves the right to modify the specification of this product at any time.
