

FLARE-SIGN-BKT 100cm Signboard Mounting Bracket

Description

The FLARE sign board mounting bracket is designed to allow the FLARE LED floodlight to be installed with an outreach arm to illuminate signs. Powder coated protection offers a more durable finishing option that provides both protection and aesthetic appeal to its metal surface. Durability: Powder-coated surfaces are resistant to chipping, scratching, fading, and other types of wear. The coating provides enhanced protection against corrosion, chemicals, and UV exposure.
