

Product Features:

- Quick and simple installation process
- 3 Years warranty
- 3 CCT switch
- Long life 30,000 Hours
- Sleek low profile design
- Maximum energy efficiency
- High lumen output
- High quality materials used ensuring long life and maintained appearance
- **Complies to all NZS/AS Standards and Approvals**

Application:

- Designed for residential and commercial application
- Perfect for low ceilings heights.

Technical Specification

Housing Colour:	White
Light Source:	Integrated LED
Beam Angle	120°
Light Category:	LED
Mounting:	Surface Mount
CRI:	>80Ra
Input Voltage:	200-250V 50/60Hz
Power Factor:	>0.9

Part No.	Watts	Mounting	Lumen	Length	Width	Height
20080NLS	18W	Surface	1800lm	600mm	75mm	30mm
20100NLS	36W	Surface	3600lm	1200mm	75mm	30mm

IMPORTANT

Must be installed: To manufacturer specifications and by a qualified licensed electrician.
