DIY EASY INSTALLATION	240V 10A max	2xUSB 2400mA max	x2	x2				1m	95mm
---------------------------------	--------------------	------------------------	----	----	--	--	--	----	------

WHEN CLOSED

Add flexibility and music to your work space. This easy to install pull up/push down design is a safe alternative to exposed electrical sockets. Use in the kitchen to connect appliances, on your desk to charge your laptop and/or other devices or in the workshop for power tools.

Power Board provides 2 x Australian standard power points which can easily be hidden or pulled up when needed. It also features 2 x USB2.0 charging ports providing 2.4amps of power at 5V.

Listen to music wirelessly with the 3W bluetooth® capable speaker.

FEATURES

- Pull-up/push down design.
- Bluetooth® Speaker with 3.5mm auxiliary input jack.
- 2 x Australian standard power sockets.
- Separately switched 2 x USB2.0 outlets (2400mA Max).
- IP54 water-resistant rating for use in kitchens (when in closed position).
- DIY installation, complete with 1m flex & plug.
- Adjustable collar suits 10-55mm thick bench tops.
- 2 Year Warranty.

APPLICATIONS

Office desks, meeting rooms, workshops, kitchens, study areas and home office.
