

IP66 SOLAR DIN RAIL ENCLOSURE

Features

- Complete w/ earth and split neutral bar
- Full din rail included
- IP66 ingress protection for solar applications
- Flip window lift door for added sealing
- Advanced and intuitive design for convenient installation
- Top and bottom knockouts for conduit cable entry
- Dynamic PC housing and cover for long-lasting lifecycle

Specifications

Executive Standards

IEC60439-1

IEC 60529 IP66

GB 7251.3 2006

Application

Ideal for domestic, commercial and industrial type solar applications or where switchboards requiring high impact protection are operating

Part No.	Description	(L)	(W)	(D)	(M)	CTN
NLS30770	4 Pole IP66 Weatherproof Surface Mount Solar Enclosure	202mm	107mm	100mm	150*53mm	20
NLS30771	6 Pole IP66 Weatherproof Surface Mount Solar Enclosure	200mm	165mm	100mm	150*110mm	20
NLS30772	9 Pole IP66 Weatherproof Surface Mount Solar Enclosure	200mm	220mm	100mm	150*150mm	20
NLS30773	12 Pole IP66 Weatherproof Surface Mount Solar Enclosure	230mm	273mm	110mm	150*180mm	10
NLS30774	18 Pole IP66 Weatherproof Surface Mount Solar Enclosure	230mm	381mm	110mm	150*290mm	10
NLS30775	24 Pole IP66 Weatherproof Surface Mount Solar Enclosure	380mm	273mm	110mm	300*180mm	10
NLS30776	36 Pole IP66 Weatherproof Surface Mount Solar Enclosure	529mm	273mm	110mm	426*180mm	10
