Caloundra Range Sweep Fans

Product Data Sheet

C4HS1300-AN

Clipsal's Caloundra range of sweep fans offers a stylish new design to suit modern interiors.

With a unique curved blade design and matte finish, Caloundra fans will blend in seamlessly to your home while also offering a superior airflow level to outperform most timber-blade fans.

The range is just as comfortable outdoors as in, and is not afraid of coastal or high humidity areas due to its all-plastic design protecting against rust and corrosion.
