Trader's Flat Cat Twin Power Point with Dual USB Chargers (Type A & C) has arrived - our slimmest range of switches and sockets are ready for use by Australian Electrical Contractors.

Key Information:

- Socket rated to 10A 250V a.c.
- USB Type A & C outlets rated to 3.4A max total at 5V.
- Warm white LED indicator to show power on status.
- Auto switched socket outlet switches active upon plug insertion/withdrawal.
- Each electrical socket contains shutters activated from the neutral pin.
- The USB circuit is integrated with the socket outlet and connected internally so only one set of terminals are required for the electrician to wire the device.
- Fits other standard mounting accessories where Flat Cat products are used.
- Terminals suit 3 x 2.5mm².
- Where panels are less than 10mm special recessed mounting accessories must be used.
- Fits recessed Australian wall boxes and mounting accessories that use 84mm mounting centres.
- Recommended for phone use only, larger devices such as laptops with USB C connections require much greater output.
- Covers, plates and dollies are made from UV stabilised polycarbonate to avoid discolouring to yellow.
- Standard colour is White. Also available in Matt White, Black, Matt Black & with Brushed Aluminium Covers (FLPP2USBAUCBA) - please check availability.
- Product is approved in accordance with AS/NZS3112.
- USB outlets comply with AS/NZS61558.2.16:2010 A1-3.

**FLAT CAT STANDARD RANGE IS WHITE.
ALSO AVAILABLE IN BLACK, MATT BLACK & WITH BRUSHED ALUMINIUM COVERS**
