Extra Long | Black Oxide Finish | Ball End

METRIC & IMPERIAL | SET

22 PCES

Code: **HEXKSCOMBO**

BOX QTY: 6

## Product Features

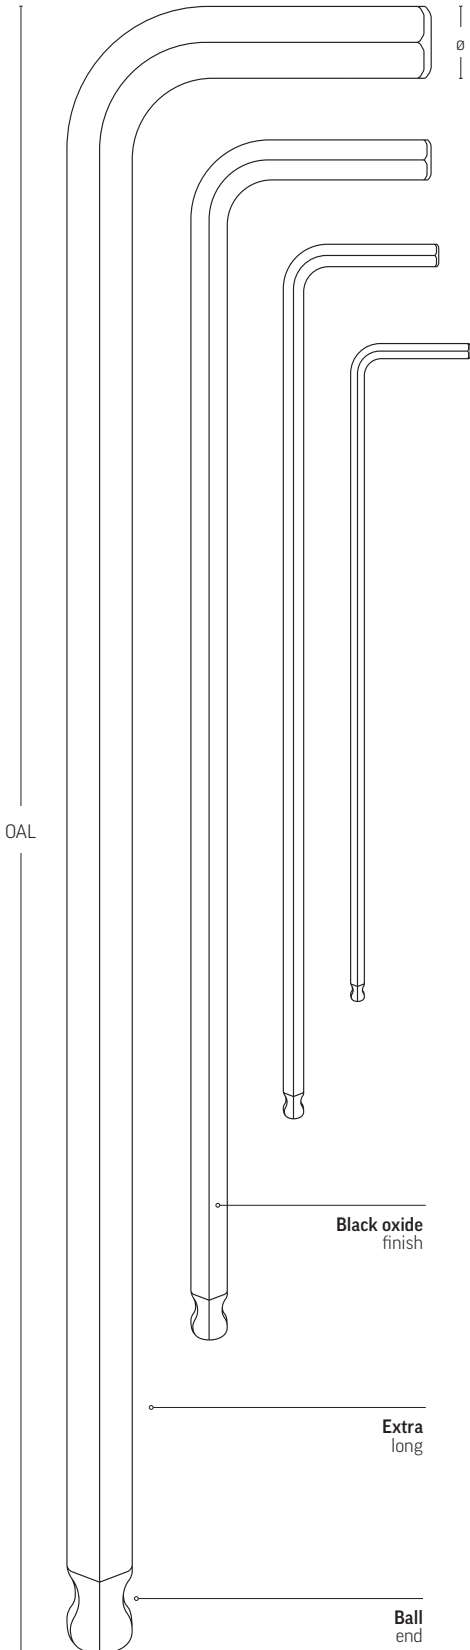

- Imperial 13 piece and Metric 9 piece hex key sets (combo pack) quickly tightens or loosens fasteners
- Small and common sizes are included. Imperial sizes: 0.05", 1/16", 5/64", 3/32", 7/64", 1/8", 9/64", 5/32", 3/16", 7/32", 1/4", 5/16" & 3/8". Metric sizes: 1.5, 2, 2.5, 3, 4, 5, 6, 8 & 10mm.
- Labelled holders firmly holds each key in a sized-marked hole allowing for convenient storage and selection
- Meets or exceeds all applicable standards

- Made of Chrome-Vanadium Steel for rugged strength: black oxide finish for protection against corrosion; sand blasted for a smooth surface
- Ball-end design allows entry angle of up to 25° for easily reaching around obstructions

## Instructions

Turning the hex key clockwise will tighten the fastener, whereas turning it counterclockwise will loosen or remove the fastener.
