

BASIC ROOFERS KIT

PART CODE: **KITRBCS**

PRODUCT INFORMATION >

The LINQ basic Roofers Kit has been designed to meet the general requirements of workers who are working at heights. The kits offers exceptional value for money as opposed to buying the items individually. If your site has specific requirements, LINQ also offers a custom kit service. Customers can take advantage of the LINQ custom kit service by tailoring a kit to suit the needs of their individual work site, choosing from any LINQ harnesses, lanyards, ropes, karabiners and accessories.
