

## Out Of Service Lockout Tag - Volt Safety

Out Of Service Lockout Tags provide critical information on the authorised employee and informs colleagues, visitors and contractors to not operate the locked out device for any reason.

### Key Features:

- Size: 147mm x 72mm x 0.6mm
- 10mm eyelet to fit most padlocks
- Tear-resistant and weather-resistant
- Made from durable PVC to allow for repeated use
- Prompts to provide relevant information to observers
- Reason field to provide further specific information
- Tag best used with a marker to ensure text legibility
- Marker text can be erased using isopropyl alcohol to allow for repeated use

### Standards:

- AS 4836 (Complies with)
- AS 4024.1603 (Complies with)
