

# Product datasheet

Specifications

## Switch Mechanism, 30 Series, 250V, 10A, 1 Way/2 Way

30M-WE

### Main

|                  |                              |
|------------------|------------------------------|
| Range of product | Series 30<br>Standard Series |
| Product brand    | Clipsal                      |
| Assembly Type    | Basic element                |

### Complementary

|                                |                                          |
|--------------------------------|------------------------------------------|
| Number of poles                | 1                                        |
| Installation Type              | Flush                                    |
| Number Of Switches             | 1                                        |
| Material                       | PC (polycarbonate): dolly<br>PA66: base  |
| Local signalling               | without                                  |
| [Ue] rated operational voltage | 250 V AC                                 |
| Rated current                  | 10 A                                     |
| Load type                      | Fluorescent lamp 10 A<br>LEDi lamp 100 W |
| Marking                        | Without marking                          |
| Surface finish                 | Glossy                                   |
| Actuator                       | Rocker                                   |
| Switch function                | 1-pole                                   |

### Packing Units

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 2.36 cm |
| Package 1 Width              | 2.36 cm |
| Package 1 Length             | 2.9 cm  |
| Package 1 Weight             | 14 g    |

Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

[How we assess product sustainability >](#)

|  Environmental footprint |                                               |
|-----------------------------------------------------------------------------------------------------------|-----------------------------------------------|
| Total lifecycle Carbon footprint                                                                          | 11                                            |
| Environmental Disclosure                                                                                  | <a href="#">Product Environmental Profile</a> |

Use Better

|  Materials and Substances |                                   |
|------------------------------------------------------------------------------------------------------------|-----------------------------------|
| Packaging made with recycled cardboard                                                                     | Yes                               |
| Packaging without single use plastic                                                                       | Yes                               |
| <a href="#">EU RoHS Directive</a>                                                                          | Compliant with Exemptions         |
| REACH Regulation                                                                                           | <a href="#">REACH Declaration</a> |

Use Again

|  Repack and remanufacture |                                          |
|--------------------------------------------------------------------------------------------------------------|------------------------------------------|
| End of life manual availability                                                                              | No need of specific recycling operations |
| Take-back                                                                                                    | No                                       |
