

Relax and take control of your DC ceiling fan from the comfort of your couch.

- Remote can be used simultaneously with the 3 speed wall control SDC3SPWC
- No wiring work required to set up
- Utilise breeze mode for a natural airflow effect
- Enables reversible summer/winter mode
- Unlock up to six speeds
- Auto-off after 1, 4 or 8 hours with timer function
- When paired with an LED model, can control the dimming and colour mode*
- Up to two Vario remotes and one wall control can be paired to the one compatible fan

*Excludes Stanza DC models

The Vario remote control functions in conjunction with the included 3 speed wall control panel on. See latest instruction manual for more details.
