WATERPROOF POCKET FLASHLIGHT

Klein Tools' Rechargeable Waterproof Pocket Flashlight with removable lanyard is the perfect everyday pocket light. A compact, versatile light features 4 modes: High, Medium, Eco, and a Strobe with 47-hour long runtime. This smartly designed light turns back on in the same mode you last turned it off, so fewer clicks to get to your favorite mode. A dual-direction clip keeps the flashlight stored in your pocket, or clip in the other direction and attach to the bill of your cap for hands free use. This compact yet rugged, flashlight is IP67 waterproof and dustproof---making it a durable, versatile flashlight for daily use on the jobsite.
