

# Exterior bulkhead

TPBH

**CLIPSAL**

## Functionality and technology

The TPBH exterior bulkhead light is a compact and efficient solution designed for reliable outdoor illumination. Consuming just 9W of power, it delivers a bright 600 lumens with a wide 120° beam angle—perfect for lighting pathways, entryways, and communal areas. With the ability to switch between three colour temperatures—3000K, 4000K, and 5700K—it offers flexibility to match different lighting preferences and environments.

Crafted with a durable polycarbonate body and a sleek aluminium decorative ring, the TPBH is built to endure. It features an IP54 rating for weather resistance and an IK08 impact rating, ensuring dependable performance in a variety of outdoor conditions. With a high CRI of over 80, this Class II luminaire provides consistent, high-quality lighting with minimal maintenance.

## Application

Ideal for residential buildings, commercial exteriors, and public spaces, the TPBH bulkhead light combines robust construction with a clean, modern design. Its compact 196 mm x 196 mm footprint and slim 58 mm profile make it suitable for both wall and ceiling installations, blending seamlessly into any architectural setting.

## Exterior bulkhead

Specification	
Model	TPBH
Voltage rating	230 - 240Vac, 50Hz
IP rating	IP54
IK rating	IK08
Total power consumption	9W
Beam angle	120°
Lumen output	600lm
Operating temperature	-10°C to +45°C
Operating humidity	10% to 95%, RH, no condensing
CRI	>80
Colour temperature	3000K/4000K/ 5700K (Selectable)
Current	90mA
Inrush current	6A @ 20µs
Dimension L × H × W	196mm × 58mm × 196mm
Lifespan L70/ B50 @25°C	50,000 hours
Material	Housing/PC, Decorative Ring/Aluminium
Dimmable	No
Class	Class II
Warranty	5 years
