

PSA

SHEDsafe

Protect what matters your shed, tools and belongings.

Enjoy peace of mind knowing your shed, workshop, or storage space is protected with the PSA SHEDsafe Pack.

Combining a wireless Wi-Fi security camera, a 240VAC Heat Alarm with 9V Battery Back-Up, and a PSA Lifesaver Standalone Lithium Battery-Operated Photoelectric Smoke Alarm, this smart bundle helps protect your shed from theft, vandalism, fire risks, and smoke hazards.
